

**Remarks**

Applicant has canceled claims 4, 5, and 24-36 and added new claims 37-53. Applicant respectfully submits that no new matter was added by the amendment, as all of the amended matter was either previously illustrated or described in the drawings, written specification and/or claims of the present application. Entry of the amendment and favorable consideration thereof is earnestly requested.

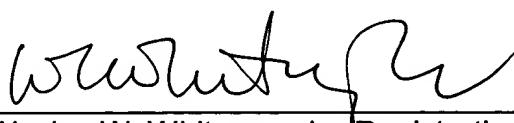

The Examiner has rejected claims 4, 5, and 24-36 under 35 U.S.C. §112, second paragraph, as being indefinite. The Examiner has further rejected claims 4, 5, and 24-36 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1 and 12 of U.S. Patent No. 6,367,637 in view of Sharp.

Applicant respectfully submits that new claims 37-53 address the Examiner's 35 U.S.C. §112, second paragraph rejections.

In addition, Applicant respectfully submits herewith a terminal disclaimer in response to the Examiner's obviousness-type double patenting rejection.

It is respectfully submitted that claims 37-52, all of the claims remaining in the application, are in order for allowance and early notice to that effect is respectfully requested.

Respectfully submitted,

---
